FUNDRAISING PROGRAM

BLUE WATER CAR WASH wants to help your organization raise money! Our Fundraising Program is a fast and easy way to generate serious money without incurring any expenses.

HOW IT WORKS:

BLUE WATER CAR WASH will provide your organization with car wash tokens that are valued at \$25 each and good for our best car wash. Members of your organization will sell these \$25 tokens at face value or a discounted price of \$20 to friends, family, or acquaintances. The tokens being sold will never expire. Purchasers are able to use them anytime, at their convenience.

Once your organization's fundraising drive is over, any unsold tokens will be returned back to **BLUE WATER** along with \$7 for every token sold. Your organization keeps the difference of each token sold!

BENEFITS OF OUR FUNDRAISING PROGRAM:

- No out of pocket expense.
- A lucrative way to raise money for your organization.
- No standing along the road waving signs.
- No weather uncertainty the day of the fundraiser.
- Everybody loves our car wash!

**NO OUT-OF-POCKET EXPENSE
FOR YOUR ORGANIZATION!**
